The News.

We have California dates to the 15th ult., by the overland mail. There is nothing of special importance in the news. Now that Frazer River has fallen somewhat, the weather is too cold to work, and miners are said to be returning to California in large numbers. The hostile Indians in Oregon are suing for peace, but Col. Wright refuses and demands their unconditional surrender. The troops were destroying their corn fields, and the Indians were reduced to a state of starvation. Business in California is reported very dull.

Mr. Ryan, the People's candidate in the First Congressional District, Pa., is about to contest Mr. Florence's right to a seat in Congress. Florence is one of the three Administration Democrat members of Congress elected in Pennsylvania.

The Republican meeting which was to take place this evening at Albany Hall, has been postponed as will be seen by a notice elsewhere.

The New York breadstuffs market is still on the mend, notwithstanding the unfavorable news from abroad. Our own market, yesterday, was quiet and without material change.

The rain having quite exhausted itself, it made an attempt to snow yesterday, but didn't hardly succeed.

Second Congressional District.

We have the following reported majorities in the Second Congressional District:

Washburn, (R.)		Dunn, (Dem.)	
Rock,	2,050	Dane,*	939
Green,	619	Lafayette,	500
Monroe,	300	Iowa,	300
Juneau,	250	Marathon.	200
Jackson,	100	Crawford,	150
Pierce,	228	St. Croix,	90
Grant,	500	Polk,	25
Sauk,	612	Douglas,	46
Clark,	60	Dunn,	60
Trempeleau,	128	Chippewa,	110
Eau Claire,	60	La Crosse,	100
Bad Ax,	230		2470
Richland,	150		
Portage,	50		
Adams,	375		
Woods,	100

Washburn ahead 3,402.

To hear from, Buffalo, Burnett and La Pointe, which may reduce Washburn's majority to 3,000.

Will not be Comforted.

Our neighbor of the *Sentinel* is inconsolable over the defeat of Bade. He will not admit that Bade's declaration, that he would support Potter in preference to Beriah Brown, is a sufficient excuse to justify the bolting of Bade. The position of the *Sentinel* is, that every democrat except Bade was bound to support the entire ticket, but that he might bolt with impunity.—*News of yesterday.*

The *Sentinel* has taken no such "position." We merely said that if it was "treason" in Mr. Bade to *threaten* to bolt Brown, (he voted *for* him,) it was equally "treason" for the *News* to organize a "bolt" against Messrs. Bade and Dolan, both "regular Democratic" candidates. It is a "family quarrel," however, and we, therefore, leave the *News* to settle it, as best it can. *Our* "comfort" in the result is complete.

Kenosha County—Official.—The official majority for John F. Potter, in Kenosha County, is *six hundred and eighty-six*. Two years ago, at the Presidential election of 1856, his majority was 674. So that Kenosha, like Walworth and Milwaukee, *improves* on the vote of that year. The First Congressional District of our State may fairly claim the banner.

Dane County—Official.—Chas. Dunn, for Congress, 881 majority; 58 votes for Dunn in Sun Prairie not returned, which makes his majority 939.

Senate—Taylor, dem., 11th district, 408 maj.

Assembly—1st dist. Blackman, rep., 164 maj; 2d A. Smith, dem. 151 maj; 3d Keenan, dem. 42 maj; 4th Waterbury, dem. 141 maj; 5th Norton, dem. 427 maj; 6th G. B. Smith, dem. 169 maj.

County Officers—Bishop, dem., for Sheriff 696 maj; Gault, dem., for Treasurer 738 maj; Mohr, dem. for Register 136 maj; McPherson, dem., for Clerk of Board 8 maj; Fairchild, dem. for Clerk of Court 650 maj; Keyes, rep. for Dist. Att'y. 325 maj; Douglass, dem. for Surveyor 670 maj; Norman, dem. for Coroner 834 maj; for bank law 2,343; against bank law 90.

The Result in New York.—The Albany *Evening Journal* of Saturday thus sums up the Opposition triumph in New York:

> We are able to-day to give, with sufficient exactness, the grand result of last Tuesday's battle viz:
>
> The election of the entire Republican State Ticket by a majority of 18 000.
>
> The election of 29 out of 33 members of Congress.
>
> The election of 98 of the 128 members of the Assembly.
>
> The election of 2 Senators to fill the vacancies caused by the resignation of one and the disqualification of another Democrat.
>
> The election of full two thirds of the Sheriffs, Clerks, Judges, Justices, Coroners, &c., in the State.
>
> A gain of 40,000 votes.
>
> A gain of 9 members of Congress.
>
> A gain of 40 members of Assembly.
>
> A gain of 2 Senators; and
>
> A gain of the political character lost last year by our apathy.
>
> Few States ever did as well; none this year have done any better. No one expected as much. It would have been ungenerous to have coveted more. We are content.

The Third Congressional District.—The New York *News* gives the Third District to Williamson, Opposition, instead of Sickles.—The *News*, which is a Hard Democratic organ, says:

> The statements made can and will, we understand, be fully verified; and even did the Sickles vote out-count that cast for Williamson—which it does not—his election must inevitably be set aside. Never, probably, was fraud of every kind and degree more openly committed than in the contest in the Third District.
>
> It was rank and unblushing, and perpetrated in every possible way. Stuffing ballot-boxes, false voting, and more false swearing, being the principal means resorted too—to say nothing of introducing hired soldiers—to accomplish this object.

Green Lake County.—The Berlin *Courant* says:

> Outside of Berlin and Princeton, the vote was remarkably light, owing undoubtedly, to the extreme unfavorableness of the weather, but notwithstanding this fact, Billinghurst has 818 majority. The fact, also, that many of the most active Republicans were engrossed entirely by the County Seat question, has somewhat lessened the majority. With a fair day and no local question at issue, his majority would have been over 1,000.
>
> The Republican County candidates are *all* elected, most of them by handsome majorities.

Organs of the Administration.—The Administration organs are dreadfully exercised about the result of the November elections.—The Washington *Union* fairly wails over it, as see elsewhere, while the *Pennsylvanian* sees nothing in the reported success of Senator Douglas in Illinois but a fatal stab at the Constitution! Hear the *Pennsylvanian*, which is Mr. Buchanan's "home organ:"

> This canvass was conducted on the principle that the people were to elect the United States Senator from Illinois, and not the Legislature of the State. It is in vain to say the members of the Legislature were to be elected by the people in this election, and hence it was only a contest for members of the Legislature by each political party. That is true we admit. But though the election was *nominally* for members of the State Legislature, the great interest, the great struggle, the great feature, point and issue in this election, was to elect Douglas or Lincoln to the Senate of the United States. This was the real issue. The election decided this question only and not who were to have the right, privilege and power of deciding, determining and recording the fiat of the State on the question, consequent upon, but not directly resulting from this election of State officers or State agents. In other words, by the mode of conducting this canvass in Illinois, the result has been, that the *people* and *not their representatives*, the Legislature, have elected a United States Senator. If no regard is had for the forms, the spirit is vital, and will submit to no injury with impunity. The spirit of the Constitution of the United States has been violated in the election.
>
> A dangerous precedent has been established. Now that the election is over, and we can calmly look back to the issues the campaign has made and decided, this peculiar character of the canvass presents itself with singular significance. The Constitution of the Union has been wounded. Its heart has been pierced by the poisoned arrow of political mockery. It has been derided, because it could save others, but not itself, from danger, destruction and death. When the sober second thought of the people of Illinois begins to quiet the excitement which has attended this election, when they are forced to see the practical effects of the canvass, and the peculiar character which has been marked upon it, when the benign influence of Constitutional principle invokes its justification, and this wound on Constitutional integrity is healed and made whole, then, and not till then, will the lesson be taught the people, that innovations of the Constitution, unrebuked, may be Trojan horses which will destroy it.

Illinois Republican—The Republican State Ticket.

We have the satisfaction of announcing this morning that returns have been received from all the counties in the State but three, footing up as follows: Republican 118,905, Democratic 110,771—Republican majority 8,134. The counties yet to hear from are Calhoun, Jackson and Williamson, which gave Richardson 2,799 over Bissell in 1856. This would leave the Republican majority 5,344 in the whole State. The official result will probably not vary 500 votes from these figures. Our majority is as likely to go above 5,000, as to fall below it.—*Chicago Tribune, of yesterday.*

From the Kansas City Journal of Commerce, Nov. 4.

Latest from the Gold Regions—Cheering Reports from the Mines.

Mr. Elsbach, one of our Westport merchants, arrived on Tuesday from Salt Lake. The gold fever had reached the City of the Saints before he left, and many had started for the mines, and more were preparing to leave. Mr. Elsbach came by way of the Cherry Creek diggings, in order to satisfy himself as to the truth of the reports which had reached Salt Lake City.

He found a number of men at the mines and in their vicinity, who were unable to do anything for want of tools. The Georgia Company, under Green Russell, however, were hard at work, and were realizing from $5 to $15 per day, with picks, pans and shovels, to the man.

Mr. Elsbach is fully satisfied as to the richness of the deposits, and says they will pay as well as any yet discovered.

We have not time to-day to go into a detailed statement as furnished by Mr. Elsbach, but will do so at the earliest date. He expects to be in town in a few days, when we will give a more detailed account. The great fact—the gold—is now beyond a doubt.

The Apportionment.—The thirty-five Lincoln members of the House represent a larger population than the forty Douglas members; and the eleven Lincoln Senators represent a larger constituency than the fourteen Douglas and Buchanan Senators. In other words, if the State had been apportioned according to population, the districts carried by the Republicans would have returned *forty-one* Lincoln Representatives, and *fourteen* Lincoln Senators, which of course would have elected him. In the Republican districts it requires on an average a population of 19,685 inhabitants to elect a Representative, and 58,900 for a Senator, while in the Democratic districts 15,675 for a Representative and 47,100 for a Senator suffices. On a fair apportionment, Douglas would have been beaten seven in the House and three in the Senate. He was elected for the reason that 750 voters in "Egypt" are an offset to 1,000 in "Canaan."—*Chicago Tribune.*

The Way Democrats Carry Elections.—The St. Louis papers are publishing the testimony which the parties are taking in the contested election case between Blair and Barret. The testimony shows an amount of illegal votes almost incredible. In Carondelet and in some of the lower wards of the city, railroad men and railroad contractors by the scores led their Irishmen, brought in from the country and over from Illinois, and voted without regard to qualifications, and then kept the legal voters from the polls by threats and intimidation, and even by personal assault. Such scenes were common in other localities.

A great many names are found on the poll books of persons who never resided in the precincts. The same names, and fictitious ones at that, are found in two or three or a half dozen different precincts.

Enough evidence has already been elicited to show that Barret was elected by fraud and violence and illegal voting. The railroad men, with their droves of illegal Irish voters, carried every thing before them. And amongst other disgusting things brought to light, is that some thirty pardons were issued to convicts, under sentence of the Criminal Court, on condition that they should vote for Barrett.

The Result in New Jersey.—We devote a considerable portion of our space to-day to the returns of our State election, and the result exceeds our most sanguine expectations. The Opposition majority in the State is very large, and may be stated in round numbers at eleven thousand—a larger majority than ever was before given in New Jersey! It is one of the most substantial triumphs ever won, securing the whole delegation to Congress, five of the six State Senators elected, 36 of the 60 members of Assembly, and nearly all the local officers. Six members of the Assembly have been lost in the contested districts by less than two hundred votes.—*Newark Mercury.*

Lafayette and Iowa Counties.—The majority of Lafayette county for Dunn, we learn from a gentleman direct from the west, is about 500. He stated also, that a republican is elected to the Assemby in one of the districts of that county. If so, it is a gain.

Dunn's majority in Iowa county, is less than 300. One of each party is elected to the Assembly—Mr. John Toay in the Mineral Point district, and Mr. G. C. Meigs in the Dodgeville district by 37 majority. The entire democratic county ticket is elected, except Treasurer.—*Madison Journal, Nov. 9.*

Rowing Match against the Champions.—The Toronto *Atlas* says considerable excitement has prevailed in that city during the last few days in consequence of a challenge from the Hibernian Rowing Club, to pull a six-oared boat match against the champions of the lakes, having been accepted. The amount of the stakes is $200, and the race was to be run at 3 o'clock on Saturday afternoon, weather permitting, from the City Hall Wharf to the Island and back again. The opponents of the Hibernian Club were four of the rowers that were engaged in the late match at Detroit, with two others.

The Smith Family.—As far as heard from, but five of the *Smith* family are elected to the next Legislature, being Wm. E. Smith, of Dodge, Perry H. Smith, of Outagamie, George C. Smith, of Jefferson, George B. Smith and Adam Smith, of Dane. John Smith has not been heard from, but we presume he is elected.—*Portage City Record.*

Increase of Church Members.—The *Examiner* says the number of members of the Evangelical Churches of the United States, during the last fifty years, has increased from 400,000 to 3,000,000, being an increase of eight-fold, while our population has increased only four-fold.

All members are hereby warned to be at the Armory, Thursday the 11th inst., at 3 o'clock P. M., with fatigue pants, overcoats, white cross belts, knapsacks and bear skin hats. Company will leave the Armory promptly at 3½ o'clock. The Hop at the Newhall House will take place as heretofore ordered. Order No. 8, so far as the 11th inst. is concerned, is hereby re-called.

John C. Starkweather,
Commandant.

Our Detroit Visitors.

The Detroit Light Guard, accompanied by a number of their friends and fellow-citizens, started for Milwaukee, as we learn by telegraph, yesterday morning. They are expected here *to-day*, and will be received and entertained by our Milwaukee Light Guard. As the excursion is partly in honor of the opening of the Detroit & Milwaukee Railway, we again express the hope that our citizens generally will unite with the M. L. G., in the effort to make the visit of our Detroit friends a pleasant one, in spite of the unpropitious weather. "The "hop" at the Newhall House *to-night*, in honor of the occasion, promises to be a delightful affair. Our Milwaukee Ladies, we do not doubt, feel sufficient interest in the event we celebrate, to attend in full force and with their best looks.

Arrest of a Chicago Delinquent in this City for Shooting a Policeman.—On Tuesday Chief of Police Beck received a despatch from Chicago, apprising him of the escape of a darkey from that city named George Burns, who shot a policeman there the night previous, while the officers were making a descent upon a gambling house. It was suspected the fellow had taken passage on the Lady Elgin for this city, which was expected here that evening. The suspicions proved correct, for when the steamer arrived the sable offender was found on board and arrested by Policeman Garlick. He gave his name as William Webb, but officer Douglas, of Chicago, who was here yesterday, identified him and took him back in irons. The particulars of the scrimmage in which Burns shot the policeman are in substance as follows:

On Monday night, at Chicago, a squad of Policemen made a descent upon a notorious gambling crib, on Sherman street, kept by a mulatto named Jerry Anderson. The officers made their visit at such an hour, and conducted it with so much caution, that they were fortunate in finding the proprietor and his friends "at home," and engaged in an earnest set to with the "tiger." The party numbered ten and they manifested the utmost consternation at seeing the police. One man jumped from the window, and the rest attempted to escape in one grand rush. They scampered off in all directions, but were all finally arrested with the exception of Burns, who drew a pistol and fired at his pursuer, policeman Knapp, and shot one of his fingers. The officer returned the fire, but without effect, and the rascal then made good his escape—for the time being at least.

The Young Folks Re-Union and Festival. The festival given by the young folks connected with the South Presbyterian Church, was well attended on Tuesday evening, notwithstanding the unusual attraction of Prof. Carr's lecture.—The hall was well filled, we are told, and the young folks and their numerous guests passed the evening pleasantly, all seeming to enjoy themselves very much. The tables were bountifully supplied by the ladies of the congregation, and the good things with which they were furnished partaken of with evident satisfaction.

It is the intention of the congregation soon to erect a new Church edifice, the present one being too small to accommodate their constantly increasing numbers, and the proceeds of the festival are to be devoted to this purpose together with whatever aid our citizens may extend towards the same object.

New Publications.

The Sayings and Doings of Sam Slick, by Judge Haliburton, author of "Sam Slick in England," &c., &c., neatly bound in muslin. Price, $1.

We have received a copy of "Sam Slick's Sayings and Doings," from the publishers, Messrs Dick & Fitzgerald, No. 18 Ann street New York. It is just about the most side-splitting document that we have ever perused, making the single exception of the famous Pick Wick papers. Everybody has heard of Sam Slick, and he has given his opinion on pretty much everything "under the sun." This book, amongst other things, contains his opinion about "courtin' the gals" and his laughable adventures after the petticoats. Every line of it tells some way or other—instructively, satirical or wittily. We give the titles of some of the articles in this last and best work of Sam Slick:

The Duke of Kent's Lodge; Playing a Card; Behind the Scenes; The Black Brother; The Great Unknown; Snubbing a Snob; Patriotism, or, The Two Sheers; Too Knowing by Half; Matrimony; the Wooden Horse; the Bad Shilling; Trading in Bed; Knowing the Soundings, or, Polly Coffin's Sandhole; An Old Friend with a New Face; the Unburied One; Definition of a Gentleman; Looking Up; The Old Minister; The Barrel Without Hoops; Facing the Woman; The Attache.

The book will be sent free of postage to any part of the United States, by the remittance of $1 to the publishers.

Every Woman her own Lawyer.—This is the suggestive title of a work just issued, also from the press of Messrs. Dick & Fitzgerald.—It contains upwards of 400 pages of valuable information, by a knowledge of which every female may, in whatever situation, understand her legal course, and redress and be her own legal adviser. It has the laws of the various States, relative to Marriage and Divorce, Property in Marriage, Guardians and Wards, Rights in property of a Wife, Rights of Widows, Arrest of Females for Debt, Alimony, Bigamy, Voluntary Separations, Suits by and against Married Women, Discarded Wives, Breach of Promise, Deserted Wives, Clandestine Marriages, Adultry, Dower, Illegitimate Children, Step-Fathers and Step Children, Seduction, Slander, Minors, Medical Maltreatment, Just Causes for leaving a Husband A wife's Support, Property in Trust, Transfers of Property, Deeds of Gift, Annuities, Articles of Separation, False Pretences in Courtship, &c, compiled with much care and accuracy, by Geo. Bishop. The portions relating to the rights of married women, in property, the laws of divorce in all the different States, Guardians and Wards, &c., are very full and explicit, and should be understood by every lady in the land. The volume is large—12 mo., bound in half leather, price one dollar.

The Young Men's Association.—We append a circular from the Directors of this Association calling upon our business men and citizens generally, to lend their aid in maintaining the organization and extending its usefulness. It is deserving of the support of our citizens, and we trust that the call will meet a liberal response:

> Milwaukee, Nov. 5, '58.—*Dear Sir*:—In behalf of the Young Men's Association of this city, we would call your attention to the fact of its existence, and solicit *your aid* in extending its influence and enlarging its usefulness. The Association has a Library of about five thousand volumes, which we think will compare favorably with any library of its size in this country, not only in the number of rare and valuable works it contains, but in the varied extent of general reading it furnishes. Connected with the Library is a Reading Room, where leading papers from all sections of the country can be found, together with the most valuable periodicals of the age. The rooms of the Association are open to members every day, from 9 a. m. to 10 p. m.; and any person can become a member by paying an initiation fee of one dollar, and the annual payment of two dollars. A course of lectures will be delivered this season before the Association, by several of the leading men of our country, and to which members will have tickets at a reduced price. Even should you not wish to improve the benefits offered by this small annual fee, we invite your aid in behalf of the many young men of our city *who do need just such an institution*, and *for the benefit of whom we claim this Association should be sustained and supported.*
>
> Our city, in its rapid growth, and increasing business facilities, is drawing many young men from their homes abroad, who need some place that they can visit after their business hours, besides the gay saloons and restaurants, and all employers owe a duty to society in seeing that such a place is furnished them. The Directors of the Association are determined, that if sufficient aid is given them, to place this institution upon such a basis, that it shall be a credit to our city, and to do so, only ask the small sum required for annual membership. If the Association is left entirely to young men to furnish the means necessary to support it, the income must be very limited, and its usefulness very small to what it should be in a city like ours. Upon all present members of the Association we would call for assistance, and request them to aid the Directors in adding new names to our lists, and we believe there is not a member but could, if any exertion were made, get some one to join.
>
> Should you, Sir, feel disposed to unite with us in supporting this institution, will you please call at the rooms of the Association, on Main street, above the Newhall House, or one of the Directors will call upon you in a few days to receive your answer to our solicitation.
>
> For the Directors, A. C. May, *President.*

> A. L. Spier, } *Committee.*

A Good Country Tavern.—A gentleman from the East, who has been travelling a good deal in our State, hands us the following "favorable allusion" to one of our Wisconsin bonifaces:

> Messrs Editors:—If you wish good eating, good lodging, and the best of care for man and beast, and happen to be caught as unfortunately as I was the other night on my way to East Troy, I would most heartily recommend you to the tavern of Leonard Martin, on the Janesville Plank Road, about eighteen miles from Milwaukee. On a cold, rainy night, such as we have had *during the past month or so*, the smiling, good humored face, and hearty welcome of honest Leonard Martin is a comfort that can well be appreciated, and a good fortune one would little expect. Leonard keeps one of the best country taverns I ever saw. I have travelled to some extent in the Eastern States, but never in my life saw a better kept house, and I earnestly hope that the public will continue to give Mr. Martin's hotel that patronage which it so fitly deserves; for such comfortable quarters, in so new a State as Wisconsin, cannot fail to impress an Eastern man most favorably. M. G. S.

> Milwaukee, Nov. 9th, 1858.

☞ "Brick" Pomeroy, of the Horicon *Argus* is some on a "dead shot." In coming up on the steamer *Aquilla* to-day, he shot a fine deer in Lake Butte des Mortes, with a small Colt's revolver. If "Brick" is as good a shot with his pen as he with his "colt," we don't want him to *pint* towards us.—*Neenah Conservator.*

We don't believe the story. At least, Pomeroy did not send us a haunch of Venison, as we are quite sure he would have done, had he shot a deer.

Water.—The Street Commissioners have commenced the construction of the cisterns authorized by the Common Council for fire purposes in the 7th Ward. One is to be built at the 7th Ward School House, and at nearly all the churches in the Ward. When these are built they will supply the greater part of the Ward with water, in case of fire, but there will still be a large space unprovided, and, unless the proposed water works are soon built, a good many additional cisterns will be required.

Returned to Port.—The Revenue Cutter, *A. V. Brown*, Capt. Mitchell, which sailed on a cruise, Tuesday morning, returned to this port, the same evening, the weather outside being thick and threatening, and the wind light and baffling. She will probably start again, to-morrow or next day.

Chamber of Commerce.—A special meeting of the members of the Chamber of Commerce will be held at the rooms of D. P. Hull, Esq., in the Newhall House, Thursday evening, Nov. 11th, 1858, to provide for a formal opening of the new room of the Association.

By order of the President.
L. L. CROUNSE, Sec'y.
Milwaukee, Nov. 10, 1858.

Oysters!—Our friend Cook, the indefatigable Oyster-Man, it will be seen, by reference to this morning's advertisements, is out with his card. THE NEW YORK TRIBUNE,
1858-59.

THE New York Tribune, now more than seventeen years old, which was the first journal in the world that appeared regularly on an imperial eight-page sheet at so low a price as two cents, and which has attained the unparalleled circulation of more than 200,000 subscriptions, respectfully solicits the share of the patronage which the Metropolitan Press is henceforth to receive.

Within the present year The Tribune has provided itself with a new and faster Press, at a cost of $30,000, merely that some of our subscribers may receive their papers a mail earlier than they otherwise might do. With correspondents at the most important points throughout the civilized world, and a staff of writers chosen from among the best in the country, we believe that even those who dislike the politics of our sheet concede to it frankness in avowing its convictions and ability in maintaining them. We appeal then, to those who believe that an increased circulation of The Tribune would conduce to the political, intellectual and moral well-being of the Republic, to aid us in effecting such increase.

The Daily Tribune is printed on a large imperial sheet, and published every morning and evening, (Sundays excepted) and mailed to subscribers for six dollars per annum in advance; $3 for six months.

The Semi-Weekly Tribune is published every TUESDAY and FRIDAY, and contains all the Editorials of the Daily, with the Cattle, Horse and General Markets reliably reported expressly for The Tribune; Foreign and Domestic Correspondence, and during the coming session of Congress it will contain a summary of Congressional doings with the more important speeches. City Auction Room.

GREAT STAND for any business in this City. No stand equal to it. I will lease the present store room I now occupy for eighteen months, to some good and responsible person. For a grocery store the stand is superior. For a Lager Beer Hall its equal cannot be found. For a Butcher's Stand it surpasses anything in this City.

My reasons for letting it. I have not room enough, I must get a larger store, where I can store Goods, Furniture, &c. If I had such a store room on this corner, I would not give it for any three stores in the City, but as it is, my good landlord does not feel willing at present to put up such a store as I want. I am therefore compelled to let a larger one in the City, to answer the calls of business. nov6 CALEB WALL.

MILWAUKEE:

THURSDAY MORNING, NOV. 11.

PROCLAMATION.

In the good Providence of God another year has passed, and its memories and its fruits have been gathered up. Toward all mankind He has exhibited abundant mercies, and upon us he has showered innumerable blessings. Seed time and harvest came and are gone, and the fat earth hath yielded its great harvests and its fruits, every tree and every plant bearing seed after its kind. His bow has been still in the clouds. His avenging rod has been withheld, and the pestilence that walketh in darkness, and the destruction that wasteth at noonday, have passed by us.

In science and art, and in intellectual development, the whole earth has been astonished at continued and startling successes and achievements. All trades, business avocations, professions and pursuits, have met everywhere with the success they have deserved. In all things commendable and useful, and of good report, we have met the approving smile of our Father who is in Heaven.

The works of the Lord are great, sought out of all them that have pleasure therein.

His work is honorable and glorious, and his righteousness endureth forever.

He hath made His wonderful works to be remembered; the Lord is gracious and full of compassion.

He hath given meat unto them that fear Him; He will ever be mindful of His covenant.

The fear of the Lord is the beginning of wisdom; a good understanding have all they that do His commandments; His praise endureth forever.

For all his bounties and mercies, and loving kindness and care, we owe the homage of grateful, humble and obedient hearts. Following a venerable and wisely instituted custom, I therefore do here appoint, **Thursday, the 25th day of November** next, as a day of Thanksgiving and Prayer and Praise. And I commend that day to the observance of the good people of this State, enjoining them to abstain thereon from all secular avocations and employments, excepting only works of necessity and mercy.

IN TESTIMONY WHEREOF, I have hereunto subscribed my name, and caused the Great Seal of the State of Wisconsin to be affixed.

L. S. Done at Madison, this 27th day of October, in the year of our Lord, one thousand eight hundred fifty-eight.

By the Governor,
ALEX. W. RANDALL.
J. D. RUGGLES, Ass't Sec'y of State.

Why We Celebrate.

The *News* cannot for the life of it see why the REPUBLICANS should celebrate the result of the November elections. We will endeavor to enlighten it. We celebrate, because we have, for the first time since the organization of the State, elected a Republican Sheriff and a Republican Senator in Milwaukee County.

We celebrate, because we have re-elected JOHN F. POTTER, our faithful Representative in Congress, by *thirty-three hundred* majority, in a District where two years ago he only had three hundred.

We celebrate, because we have carried two of the three Congressional Districts in this State by decisive majorities, when, *last year*, we were beaten in two out of three.

We celebrate, because we have secured Republican majorities in both branches of the Legislature, and FIVE THOUSAND Republican majority on the Popular vote.

These are home reasons for a Republican Celebration. Outside of our own State, we find additional causes for triumph and rejoicing.—We celebrate, because IOWA by 4,000 majority, ILLINOIS by 5,000, INDIANA by 8,000, MICHIGAN by 10,000, MAINE by 10,000, VERMONT by 18,000, OHIO by 20,000, MASSACHUSETTS by 30,000, PENNSYLVANIA by 40,000 and NEW YORK by 60,000, have pronounced their several verdicts of condemnation against BUCHANAN and Sham Democracy. We celebrate, in short, *because every Free State in the Union* has declared for RIGHT and FREEDOM against Oppression, Injustice and SLAVERY. Here are abundant reasons, we think, for a general REPUBLICAN JUBILEE all over the Free North-West; but if the *News* deems them unsatisfactory it need not come to the party.

State Assumption.

The *Wisconsin* has published several articles which indicate that it favors the State Assumption scheme, but the *Free Democrat* and *Sentinel* are now fully committed against it. We infer that the two latter organs will not favor even a submission of the proposition to the people. When a large and respectable number of the citizens of our State ask for the submission of any question, we are not prepared to assume the position taken by our cotemporaries, and deny them their petition.—*News of yesterday.*

The *News*, which is exceedingly careful not to "commit" itself on the Debt Assumption question, seems extremely anxious to commit others. In saying that the *Sentinel* is "now fully committed against" the scheme, the *News* speaks without warrant of fact. It will be quite time enough for the *Sentinel* to take its ground on this question, when we know what the details are. We do not propose to denounce this, or any other measure of State policy, until it is fairly presented for discussion and decision.—Nor, if "a large and respectable number of the citizens of our State ask for the submission" of this question, would the *Sentinel* be inclined to "deny them their petition."

THE LEGISLATURE.—The *News*, speaking of the next Legislature, says:

> This result proves conclusively that the people have lost confidence in Randall, and deem it prudent to interpose some check upon his corrupt administration.

As the people have elected just as many Republicans to the Legislature this year that they did the last, we don't see where the *News* finds its proof of any lack, or loss of confidence in Gov. RANDALL.

Speaking upon the same topic, the Rotary Madison *Patriot*, (its face, just now, being Democratic) says:

> We incline to the belief that it is well to let Republicans have one more session of the Legislature, in their own way. We know of nothing better to completely open the eyes of the people. One more Republican Legislature, and the State is Democratic by thousands. There will be a strong effort made for the assumption by the State of some $20,000,000 of debts of various Railroads and other corporations, and the party under whose vote this scheme is inaugurated will soon go to oblivion. Let the Republicans take the lead if they will.

As the *Patriot* cannot well help letting the Republicans have one more session in their own way, its philosophy in the premises is commendable. The chuckle over the anticipated course of the Republicans, in the matter of the Debt Assumption Scheme, may turn out to be premature. "It is instructive to remark" that the only idea that the *News* and *Patriot* seem to have of this scheme, is, that some how, or other they can turn it to political account. Perhaps they will find the game a more difficult one than they imagine.

A VICTIM TO THE "DOUGLAS HERESY."—The *News* of yesterday publishes a communication from "a National Democrat," which gives a new explanation of the Democratic defeat in this city and district. We copy what this correspondent says:

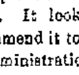
> It is a remarkable occurrence, the defeat of Albert Bade for sheriff. I had supposed when Messrs. Sharpstein and Noonan united in supporting him that his election was sure. The cause of his defeat was *his affiliation with the Douglas democracy*. Bade was bottle-holder for Noonan and Jas. S. Brown, at the anti-administration meeting held at Market Hall, last winter. Opposition to the Administration is not so popular as these gentlemen supposed. Noonan having discovered the fact, has endeavored to cover his tracks by writing anonymous communications to the Chicago *Herald*, but it is of no use, he stands committed in favor of the Douglas heresy and therefore he must purge himself of it before we admit him as a regular democrat.
> E. M.

The party in this State will have to undergo a general purgation if "the Douglas heresy" is held to be incompatible with "regular democracy." Just for the fun of the thing, we should like to see all the Administration men in Wisconsin assembled together in this city, so that we could count noses. It would be a very short job.

COUNTY SEAT OF ADAMS.—At the recent election in Adams county, a vote was taken on the removal of the county seat from Quincy to Friendship, and the project succeeded by a good majority.

The Pyramid of Freedom.

The returns from the elections recently held, enable us to make up a monument of Freedom, composed as follows. It looks well—we like it and respectfully commend it to the admiration of our slave-bound Administration:



OHIO.
IOWA.
MAINE.
KANSAS.
MICHIGAN.
INDIANA.
ILLINOIS.
VERMONT.
MINNESOTA.
NEW JERSEY.
WISCONSIN.
CONNECTICUT.
MASSACHUSETTS.
NEW HAMPSHIRE.
PENNSYLVANIA.
NEW-YORK!

As a contrast to this—beautiful in its proportions—chaste in its design, and flattering, we doubt not, to the friends of the modern oligarchy, we would gladly increase the number of its constituents by way of comfort and consolation to those who have been so terribly "oppressed" by the *people*; but facts forbid:

Washington County—Official.

Correspondence of the Sentinel.

WEST BEND, Nov. 9, 1858.

Messrs. Editors:—Herewith I send you the official vote of Washington County on Congress, canvassed by the Board of Supervisors to-day:

Larrabee, 1,734; Billinghurst, 466; Larrabee's majority, 1,268.

Respectfully yours, J. POTTER.

(Two years ago, Washington County voted as follows:

Hobart, (dem.,) 2,652—maj. 1,837
Billinghurst, (rep.,) 815

Comparative Republican gain 569! Not bad for Washington County. ED. SENTINEL.)

Adams County.

The Republicans claim:

Washburn's maj.	375
Curtis',	375
Turner,	250
Rich elected Sheriff by	250

And all the other County Officers elected by majorities ranging from 50 to 450, excepting perhaps, District Attorney, which is "nip and tuck!"—*Adams County Independent* (Extra.)

Good for little Adams! Though late, the news could not well be better.

FROM THE NORTH-WEST.—The Eau Claire *Free Press* of November 4th says that WASHBURN, for Congress, has 66 majority, and DEWHURST, (Rep.) for Assembly, 70 majority, in that County. The famous precinct of "Bridge Creek," where one of Ex-Governor BARSTOW's bogus election returns came from, gave 40 Republican majority.

The *Free Press* gives these additional items from the North-West:

> Dunn and Gray have small majorities in Dunn county—Dunn running ahead of the ticket.—Republican county ticket—with the exception of Sheriff—elect. Clark county has given a Republican majority of 75 for Assembly and 65 for Congress. Nothing definite from Pepin.
>
> Late news indicate that Pepin county has gone Republican by a small majority.

ST. CROIX COUNTY.—The Hudson *Chronicle* of the 6th instant contains full returns from St. Croix County. The majority for DUNN, for Congress, is 18; GIBSON, Republican, for the Assembly, has 116 majority; and the entire Republican County ticket is elected by from 10 to 40 majority. The *Chronicle* adds that but for the weather, these majorities would have been increased. As it was, however, our Republican friends in St. Croix have no reason to be ashamed of the result.

GOOD FOR LITTLE RICHLAND.—All but three small towns (which will not alter the result,) in Richland county, give 147 majority for WASHBURN, for Congress, 154 for D. B. PRIEST, Republican candidate for Senator; and 140 for WM. DIXON, Republican Assemblyman. On the county ticket, WM. H. JOSLIN (Rep.) is elected Sheriff; JAS. H. MINER (Rep.) District Attorney; JOHN S. WILSON, (Rep.) Clerk of Court. The Democrats have probably elected the other County officers.

WOOD COUNTY REPUBLICAN!—The Wood Co. *Reporter*, of the 5th inst., brings us the following returns:

> In this county, Washburne's and Lyon's majority is about 100.
>
> The following are probably elected to County offices, though the official count may show that we are mistaken in regard to Sheriff, District Attorney and Surveyor:
>
> Sheriff—*N. Byron Naylor.*
> Register—Lemuel Kromer.
> Treasurer—Thos. B. Scott.
> Clerk of Board—L. P. Powers.
> Clerk of Court—E. Voyer.
> Dist. Attorney—C. M. Webb.
> Surveyor—H. A. Temple.

The Chippewa Country.

EAU CLAIRE, Nov. 4, 1858.

Editors Argus:—The following are the returns as far as heard here:

Chippewa County for Dunn 100 maj.
Dunn do do 29 do
Pepin County reported small maj. for Dunn.
Eau Claire County for Washburn 47 maj.
Gray probably beaten for the assembly by 50 votes.

Dunn will certainly leave this assembly district 50 or a 100 votes better than either Cross or Jones last fall. Yours, GEO. MULKS.

THANKSGIVING IN IOWA.—Gov. LOWE has appointed the 25th inst. for Thanksgiving in Iowa. In enumerating some of the reasons for thankfulness to Providence, he well says:

> By his providence he has shown us the strange evanescence of riches which have wings, the folly of attempting to fare sumptuously every day in vain speculation instead of hardening the hand and moistening the brow with honest toil.

The Next Legislature.

We annex a complete list of the Members elect to the next Legislature. The result is positively ascertained in regard to the Senate, but as to the Assembly there are one or two Districts yet in doubt, which are so marked:

THE EXCURSION TO ST. PAUL—THE LIGHT GUARD.—Mr. HUDSON, one of the *N. Y. Herald* editorial staff, thus concludes an interesting account of the Excursion over the La Crosse and Milwaukee R. R. and up the Mississippi, a short time since:

> The invited guests of the La Crosse and Milwaukee Railroad Company have reason to congratulate themselves upon the variety of the entertainment furnished. Independent of an opportunity to view at leisure the magnificent country through which the road passes, they were gratified with the personal attentions of several old settlers, who carefully pointed out everything of interest. Capt. Cotton, a veteran of the lakes, and now agent of the company, appeared to know every foot of ground from Milwaukee to the Falls of St. Anthony, and he imparted valuable information as we progressed. Capt. J. Y. Hurd, of the steamer Northern Belle, made us intimately acquainted with every point of interest on the Mississippi river, from La Crosse to St. Paul. To summer tourists he must be a model captain. The reception of the excursionists at La Crosse was a brilliant affair. A torchlight procession received the company at the landing, and escorted them to the public square, where they were addressed by the Mayor and welcomed to the city. The Milwaukee Light Guard, Company "A," Capt. Starkweather, as fine a corps of citizen soldiery as ever shouldered a musket, occupied a prominent position among the excursionists. The music by their splendid band, the frequent reports of "Young America" enlivened the scene throughout, and added much to the general enjoyment. Capt. Starkweather is proud of his company, and well he may be. Throughout five days service, under our notice, not a man deviated an iota from the strictest discipline, and every duty was cheerfully performed. A grand supper wound up the entertainments at La Crosse at about two o'clock on Friday morning, when all departed for St. Paul.
>
> The whole of Saturday was spent on the river, and a more delightful day was never known on the Upper Mississippi. No one was in a hurry, and the boat sped leisurely along, giving all an opportunity to acquire a thorough geographical knowledge of the surrounding country. At St. Paul the entire population turned out to greet the strangers from the East. Gov. Sibley and staff received our military escort, and the corporation gave a general invitation to a supper and ball for the evening. Parties were made up for visiting the most interesting places in the vicinity, and a most agreeable day was passed at Fort Snelling, St. Anthony, Minneapolis, the Falls of Minnehaha, the cave and on the prairies. It was a perfect gala day for St. Paul, which terminated with the corporation entertainment, just as the wee hours of Sunday came peeping in upon the festive board. Those who were fortunate enough to have been present from the opening to the close of this jubilee, will never forget the solid enjoyment derived from the attention paid by the civil authorities of La Crosse and St. Paul, and from the valuable information imparted on the route by those who had been early pioneers in that interesting section of the Union.

MR. BELL RELEASED.—Horace Bell, the Indianian, was released on bail, and his return to New Albany was the occasion of quite a triumphal demonstration. The Brandenburgers did not relish the presence of the New Albany ferry boat load of well armed and resolved Albanians, and were glad to be rid of the stolen Bell. The New Albany *Tribune* of the 28th ult. gives the particulars of the ferry boat expedition to rescue Bell.

> Arrived near Brandenburg, sixty men were landed on the Kentucky shore to come in back of the town. The party on land divided into squads, and the night being dark and rainy, all the men got lost except one squad of eighteen, and were finally taken on board the ferry boat again, which dropped down in front of Brandenburg. This caused a general alarm, ringing of bells, &c. The squad of eighteen men made a descent on the town, visited the jail, and found that Bell had been hurried into the country for concealment. The merchants and citizens had carried away their goods, supposing that the Indianians, who they heard were coming five hundred strong, would burn the town. The squad of eighteen crossed to the ferry boat in skiffs and reported, and a committee was appointed to confer with the people of Brandenburg and make a demand for Bell. A town meeting was called, the question of rendition discussed for three hours, and finally articles of agreement were adopted as follows:
>
> The invading army was to be removed; Horace Bell was to be brought into town, and have an immediate examination, and if he was not discharged, his bail should be fixed at a very small sum, which the citizens in the vicinity should give—and finally all the citizens of Brandenburg should sign a petition to Governor Morehead to pardon all of the Bells (four) in case of any conviction. This was deemed satisfactory, and at 12 o'clock the army departed, leaving three of its number, John R. Cannon, George Austin, and Oscar Gregg, to see that the stipulations of the contract were carried out in good faith.
>
> The ferry boat and volunteers returned to New Albany, Bell was brought back to Brandenburg, let to bail as per agreement, and the border war was closed without bloodshed. The *Tribune* says the reward of $500 offered for Bell by the Brandenburgers has not been paid, and will not be.

From the Washington Union, Nov. 5.

What the Washington Union says about the Elections.

We have published pretty full reports of the elections of Tuesday last. Our readers will have learned from them the general fact that the Democratic Party has sustained important losses in all the States where elections have been held, except only in the State in which its leaders have denounced its action as fraudulent and in violation of its faith and principles. With a few exceptions, the party has been beaten wherever, in these States, its candidates did not endorse the action of the Black Republican Party in Congress last winter, and condemn that of the good and true Democrats in that body.

If the Democratic Party has triumphed in Illinois, it has been at its own expense, in consideration of joining in the Black Republican clamor against the "Lecompton fraud and swindle." It is a triumph barren and ignominious; it is a triumph over which the Black Republicans have reason to exult more than the good and true Democracy. The platform of the party in Illinois on the great slavery question, in the canvass just ended, differs but little from the Buffalo platform of 1848. It was the leading tenet of the Buffalo platform that Congress might prohibit slavery in the Territories and debar from these common possessions of all the States the citizens of half the Union. It is the leading tenet of the Illinois platform that the subordinate agent of Congress, the Territorial Legislature, may do this thing—in the manner most becoming an underling and tool, by indirection, bad faith and perjury.

We repeat that a victory, won upon a charge of fraud and delinquency of principle, against the Democracy—a victory won upon a platform of doctrines differing but a shade from the odious platform of Buffalo, is not a victory over which we can rejoice, or from which we can expect any advantage or honor to the great party in whose service we labor.

It is also notorious in Illinois that an anti Lincoln majority in the Legislature just elected is not *per se* a Douglas majority. In a letter from a correspondent who had just traversed the whole State, written on the 1st inst., the day before the election, he sets forth the true state of the case: "I have just returned from a trip through the State. I find that there are hosts of good Democrats who will vote for Douglas candidates to beat Lincoln, although they have no confidence in the "Little Giant." The election returns will not, therefore, give a very good indication of his strength. It was the impression among leading Democrats at Springfield that Douglas will not, under any circumstances be returned, even though his friends be in apparent majority in the Legislature. They believe that among them will be found a sufficient number of members elected to beat Lincoln who will refuse to vote for Douglas, and thus prevent the election of either."

The returns which have reached us are not sufficiently definite or positive to admit of an accurate and certain estimate of the complexion of the next House of Representatives. There is no doubt that the House is lost by large odds, if we count as of the party only those who support the national platform, and endorse the action of Congress last Winter on the Kansas question. The only doubt seems to be, whether there is a majority over the Black Republicans and the Americans who act with them, counting with the Democracy those who denounce its action last Winter as a fraud, and subscribe to the Illinois platform. We fear there will be a majority of the Opposition, even exclusive of such men as Thomas L. Harris, of Illinois, and Horace F. Clark, of New York. At all events, the balance is so even that it is impossible in the present state of the returns to reach a satisfactory conclusion, even on this question. The question, however, is of little practical importance; for, if the Democracy shall have the control of the House only by the aid of such Democrats as the gentlemen we have mentioned, its tenure will be a slender and uncertain one indeed.

CHIPPEWA COUNTY OFFICERS.—The following are the county officers elected in Chippewa county at the late election. The whole Democratic ticket, with the exception of Rodman Palmer, is elected—he holds two offices though Mr. P. is very popular, which accounts for his re-election: Robert Marriner, Sheriff; Rodman Palmer, Register of Deeds; F. H. Bussy, Treasurer; H. Coleman, Clerk of the Court; J. P. Mitchell, Clerk of the Board of Supervisors; A. K. Gregg, District Attorney; Rodman Palmer, Surveyor; J. Sheldon, Coroner.—*Eau Claire Free Press.*

J. W. Woodwell, Esq., says: "I have used Boerhave's Holland Bitters myself, and recommend it to others, knowing it to be just what it is represented."

Ald. Jonathan Neely, of Lower St. Clair, says: "I have derived great benefit from its use for weakness of the stomach and indigestion."

James M. Murphy, says: "After several physicians had failed, Boerhave's Holland Bitters removed the pain from my heart and side, arising from Indigestion."

MY MOTHER'S GRAVE.

BY W. M. PRAED.

My mother's grave! my mother's grave!
Oh! dreamless is her slumber there,
And drowsily the branches wave
O'er her that was so chaste and fair.
Yes, love is dead and memory faded!
But when the dew is on the brake,
And silence sleeps on earth and sea,
And mourners weep, and ghosts awake,
Oh! then she cometh back to me,
In her cold beauty darkly shaded!

I cannot guess her face or form—
But what to me is form or face?
I do not ask the weary worm
To give me back each buried grace
Of glistening eye or trailing tresses!
I only feel that she is here,
And that we meet and that we part;
And that I drink within mine ear,
And that I clasp around my heart,
Her sweet still voice and soft caresses!

Not in the waking thought by day,
Not in the sightless dreams by night,
Do the mild tones and glances play
Of her who was my cradle's light!
But in some twilight of calm weather,
She glides, by fancy dimly wrought,
A glittering cloud, a darkling beam,
With all the quiet of a thought,
And all the passion of a dream,
Link'd in the golden spell together.

From the Philadelphia Evening Bulletin, Nov. 2.

A Double Tragedy—A Man Smothered in a Chimney—Suicide of his Mistress.

Between seven and eight o'clock, last evening, a young man, aged twenty-two, named Richard Dillon, was smothered to death in a chimney of a house of bad character, known as "Mrs. Price's," in Shippen street. Dillon is a plasterer. His mother and sister reside near Fifth and Carpenter streets. For quite a long time Dillon had been living with a woman as his mistress. Dillon quarrelled with his mistress and she left him not long since, but he was aware that she resided at Mrs. Price's. Yesterday afternoon he had been drinking, with a companion, and they went out and bought two "black jacks." This was about 3 o'clock. Dillon was next seen, between seven and eight o'clock, at Mrs. Price's, and he declared that his mistress was up stairs with another man, and he would see her. Rushing up the narrow, step stairs, from the front room on the lower story, (where there is a bar,) Dillon forced the door of the third story room where he supposed "his woman" was locked. He raged around on the landing awhile and then climbed the ladder leading to the roof, for the purpose of getting down into the room by the chimney. In the dark, or in his drunken rage, he dropped into another chimney, just beside the third story flue, but stuck fast when his body was just opposite the third story landing. His cries were heard, as well as the noise of the detached bricks and mortar which fell on the fire-place in the lower story. Efforts were at once made to rescue him, by the mistress of the house, and by neighbors, but although he once held on to a rope which was let down to him, he could not be drawn up, and was finally rescued by breaking into the brick-work of the chimney. A hole about three feet long was made, and he was drawn out alive, but he died soon after being carried into the room into which he had tried to get. Here we saw his body, and his sister, a good looking young woman of about 20, weeping bitterly over it.

Through some misunderstanding, the Coroner was not informed of the case until early this morning, when he at once proceeded to the spot and held an inquest. The evidence elicited sustained the statement given above, and a verdict to the effect that the deceased was accidentally smothered was rendered. It seems that the girl of whom he was in pursuit had gone to the theatre at the time he was in the house.

This event was only the first act in the drama. It seems that Dillon had another mistress, who lived in Pine Alley, and who went by the name Anna Smith. Dillon had quarrelled with this girl, and threatened to kill her, and she had declared her intention of drowning herself in consequence of his threats. She declared her intention to commit suicide to several persons during the evening, and had gone so far as to give away her few effects to different parties, when intelligence of the death of Dillon was brought to her. She then said "good bye" to those who were about her, and went away. This morning at daybreak her body was found floating in a dock in the Delaware, between Lombard and South streets. The Coroner held an inquest, and the jury rendered a verdict that the deceased had committed suicide by drowning.

Dillon had a black jug slung to his wrist at the time he was extricated from the chimney flue. Matters had been somewhat complicated by the arrest of William Berry, who was taken in custody, last night, on the charge of having thrown the woman overboard. The hands on a vessel declare they heard Berry threaten the woman before they heard her fall into the water. Berry was held for a further hearing.

DIDN'T WIN AFTER ALL.—The Southern papers have recently been rejoicing over the good fortune of a New Orleans bank officer, who was reported to have won the $100,000 prize at the late drawing of the Havana lottery. The *Picayune*, however, attributes the rumor to the following circumstances:

A gentleman holding a somewhat prominent situation—one which brings him into contact with great numbers of financial friends, at the same time that it may well enough be supposed to strongly excite the *auri sacra fames*—had purchased some portions of tickets in the great gambling scheme of the "Ever most faithful Isle;" and on the arrival in the city of the list of drawings, of course stepped over to the nearest cigar store to see if the "blind goddess" had been propitious to him. As usual, she had not been, and he sallied back to take the disappointment with his wonted good humor.

Before leaving the store, perhaps for the express purpose of carrying out his ultimate object, he took with him the number of the ticket which had drawn the great $100,000 prize. Getting back to the establishment to which he belongs, requested the porter to go over and see if that number, which he designated as his number, had drawn anything. The porter, on examining the list, found that the number had drawn the mighty $100,000 prize; and overwhelming were his surprise and joy at the luck he concluded to have befallen the gentleman by whom he had been sent to look. He trembled with gratification, told the cigar store-keeper, rushed across the street, giving the good news to all he met, in an ecstacy of delight, and on reaching the institution, was so overcome as scarcely to be capable of conveying it to our very anxious friend.—Those to whom he had previously told it, however, proclaimed it throughout the city; friends went to congratulate the lucky man by scores, newspapers heralded his good fortune with the heartiest congratulations, and many are they who were sold. And that is so!

TO THE PUBLIC.

In answer to the numerous letters addressed to me on the subject of the Mustang Liniment, I would say that I have had no connection with that article for several years. It was invented by me, and while put up under my control and supervision, was universally accepted by the public, as the best liniment in the world. In 1854 I sold out my interest in it to other parties, and since that time it has passed through the hands of several persons, most of whom have been so unscrupulous as to manufacture it of inferior and cheaper articles, and thus to entirely destroy its value as a medical remedy, trusting for success in selling to its former highly established reputation. Its present proprietors have gone so far as to substitute other articles in its composition for those in the original prescription, so that the Mustang Liniment now vended possesses no one of the distinguishing characteristics of the genuine article, as it was originally invented and manufactured by me. These parties, to enable themselves with more facility to foist their worthless and injurious article on the public, use *my name* as its sponsor, calling it "BRAGG'S" Mustang Liniment, and cautioning the public to beware of any other Bragg's Liniment as an imposition. This is done with a view of exciting a prejudice against "BRAGG'S ARCTIC LINIMENT," an article more recently invented by me, and possessing all the virtues of the original Mustang, with some improvements—the result of experience and later discoveries—and manufactured by Bragg & Burrowes, which firm is composed of my son, Oliver T. Bragg, and Michael Burrowes. This article is superior in many respects to the Mustang, when it was put up pure and in good faith, and is immeasurably superior to the article now vended as the Mustang Liniment. It is also the only liniment manufactured to which my name is appended by my authority or consent. In conclusion, I cannot hold myself responsible for any of the evil results of using the Mustang Liniment now vended, and especially after this public disclaimer of any connection with its proprietorship or manufacture.
Respectfully, A. W. BRAGG, M. D.

GRAIN CLEANER & SEPARATOR
HORTON'S PATENT
G. D. BINGHAM & BRO.,
Sole Manufacturers in Wisconsin.

THIS MACHINE is of recent invention, and surpasses all others in use for its perfections as a thorough Separator and Scourer. It has given entire satisfaction in New York, Pennsylvania and other States where it has been introduced, and we are confident it is better adapted to the cleaning of Western grain than any other ever introduced into this State. It is fire proof, not liable to get out of repair, requires but little power to run it, and the scouring cylinder so constructed as to render it unnecessary to be renewed for years. Celebrated Worcestershire Sauce!!

PRONOUNCED BY CONNOISSEURS TO BE THE ONLY "GOOD SAUCE," AND APPLICABLE TO EVERY VARIETY OF DISH.

EXTRACT OF A LETTER from a Medical Gentleman at Madras, to his brother at WORCESTER, May, 1851.
"Tell LEA & PERRINS that their Sauce is highly esteemed in India, and is, in my opinion, the most palatable as well as the most wholesome Sauce that is made."

Extensive Frauds
The only Medal awarded by the Jury of the New York Exhibition for Foreign Sauces, was obtained by LEA & PERRINS for their WORCESTERSHIRE SAUCE—the world-wide fame of which having led to numerous Forgeries, purchasers are requested to see that the names of Lea & Perrins are upon the *Wrapper, Label, Stopper and Bottle.* Lea & Perrins will proceed against any one infringing either by manufacturing or vending spurious Sauce, and have instructed their correspondents in various parts of the world to advise them of any infringments.

VICTORIOUS OVER PAIN.

BRAGG'S ARCTIC LINIMENT.

Agony or ease!—Sickness or health!—Life or death! These are the questions involved in the adoption or rejection of this specific by the martyrs to external diseases and injuries. Having received the indorsement of the distinguished *savan*, the late Dr. KANE, and its efficacy tested during two awful Winters in the regions of eternal ice, it is now coming into general use in every section of the civilized globe, and its marvelous cures are everywhere exciting astonishment.

THE AFFLICTED REJOICE.

HUNDREDS and THOUSANDS have tested its virtues, and are rejoicing in freedom from long lingering PAIN and DISEASE, which other remedies had failed to cure. Have you the BRONCHITIS, NEURALGIA, RHEUMATISM, SCROFULA, EARACHE or TOOTH-ACHE—Are you afflicted with OLD SORES—Suffering from BRUISES, SPRAINS, CORNS, SORE EYES, PILES?
THE ARCTIC LINIMENT
will afford you instant relief. Everybody is liable to

BURNS AND SCALDS.

For these dreadful accidents the ARCTIC LINIMENT should be kept on hand, for it affords sure and immediate relief, often saving from death. Every steamboat and railroad train should keep it. Who that has heard the shrieks of anguish uttered by the scalded and maimed victims of explosions and collisions, does not feel that some means of relieving their torture should always be accessible? Such does exist in this balmy pain controlling agent. It is

THE MOTHERS' COMPANION.

It cures CAKES IN THE BREAST, SORE NIPPLES, SORE LIPS, PIMPLES, &c. Ladies who prize a pure skin, void of pimples, blotches, scurf and all discolorations and excrescences, should attack these trespassers on beauty's domain as soon as they appear with the ARCTIC LINIMENT. It is excellent for the Hair, giving it a healthy glossy appearance. It is

GOOD FOR MAN AND BEAST.

It is a sovereign remedy for the various diseases with which horses are afflicted, curing the most alarming cases of BRUISES, SPRAINS, STRING-HALT, WOUNDS, SCRATCHES, SWEENY, SPAVIN, RING-BONE, BIG-HEAD, POLL-EVIL, &c. No farmer, livery stable keeper, or any person owning valuable HORSES, should be without this valuable remedy.

For sale by all respectable Druggists and Dealers.
Prices of the Liniment, 25 cents, 50 cents and $1 a bottle. A one-dollar bottle contains as much Liniment as eight twenty-five-cent bottles.

EXTRAORDINARY ANNOUNCEMENT.

Every purchaser of a dollar bottle of the ARCTIC LINIMENT receives, at Dr. Bragg's expense, the UNITED STATES JOURNAL, of New York, for one year. The Journal is a large illustrated paper—each number containing sixteen pages, beautifully printed on clear white paper, and filled with original matter from the most brilliant writers of the country. Certificate of subscription and full particulars of the novel and philanthropic enterprise, of which this offer forms a part, will accompany each bottle.

AYER'S CATHARTIC PILLS.

THE following remedies are offered to the public as the best, most perfect, which medical science can afford. AYER'S CATHARTIC PILLS have been prepared with the utmost skill which the medical profession of this age possesses, and their effects show they have virtues which surpass any combination of medicines hitherto known. Other preparations do more or less good; but this cures such dangerous complaints, so quick and so surely, as to prove an efficacy and power to uproot disease beyond anything which men have known before. By removing the obstructions of the internal organs and stimulating them into a healthy action, they renovate the fountains of life and vigor—health courses anew through the body, and the sick man is well again. They are adapted to disease, and disease only, for when taken by one in health they produce little effect. This is the perfection of medicine. It is antagonistic to disease, and no more. Tender children may take them with impunity. If they are sick they will cure them, if they are well they will do them no harm.
Give them to some patient who has been prostrated with bilious complaint; see his bent-up, tottering form straighten with strength again; see his long-lost appetite return; see his clammy features blossom into health. Give them to some sufferer whose foul blood has burst out in scrofula till his skin is covered with sores; who stands, or sits, or lies in anguish. He has been drenched inside and out with every potion which ingenuity could suggest. Give him these PILLS and mark the effect; see the scabs fall from his body; see the new, fair skin that has grown under them; see the late leper that is clean. Give them to him whose angry humors have planted rheumatism in his joints and bones; move him! and he screeches with pain; he too has been soaked through every muscle of his body with liniments and salves; give him these PILLS to purify his blood; they may not cure him, for, alas! there are cases which no mortal power can reach; but mark, he walks with crutches now, and now he walks alone; they have cured him. Give them to the lean, sour, haggard dyspeptic, whose knawing stomach has long ago eaten every smile from his face and every muscle from his body. See his appetite return, and with it his health; see the new man. See her that was radiant with health and loveliness blasted and too early withering away; want of exercise, or mental anguish, or some lurking disease has deranged the internal organs of digestion, assimilation, or secretion, till they do their office ill. Her blood is vitiated, her health is gone. Give her these PILLS to stimulate the vital principle into renewed vigor, to cast out the obstructions, and infuse a new vitality into the blood.—Now look again—the roses blossom on her cheek, and where lately sorrow sat joy bursts forth from every feature. See the sweet infant wasted with worms. Its wan, sickly features tell you without disguise, and painfully distinct, that they are eating its life away. Its pinched up nose and ears, and restless sleepings, tell the dreadful truth in language which every mother knows. Give it the PILLS in large doses to sweep these vile parasites from the body. Now turn again and see the ruddy bloom of childhood. Is it nothing to do these things? Nay, are they not the marvel of this age? And yet they are done around you every day.

BOERHAVE'S
HOLLAND BITTERS.

THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND,
FEVER AND AGUE,
And the various affections consequent upon a disordered
STOMACH OR LIVER,
Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.
This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Its reputation at home produced its introduction here, the demand commencing with those of the Fatherland scattered over the face of this mighty country, many of whom brought with them and handed down the tradition of its value. *It is now offered to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.*
It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way directly to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and infusing new health and vigor in the system.
READ CAREFULLY! The Genuine highly concentrated Boerhave's Holland Bitters is put up in half-pint bottles only, and retailed at ONE DOLLAR per bottle. The great demand for this truly wonderful Medicine has induced many imitations, which the public should guard against purchasing.
Beware of Imposition! See that our name is on the label of every bottle before you buy.

THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD,
COMPOUNDED ENTIRELY FROM GUMS,

IS one of the best purgative and Liver medicines now before the public, that acts as a *Cathartic*, easier, milder and more effectual than any other medicine known. It is not only a *Cathartic*, but a *Liver remedy*, acting first on the *Liver* to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most *Cathartics*. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The LIVER is one of the principal regulators of the human body; and when it performs its functions well the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the *Liver* for the proper performance of its functions; when the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of one organ—the LIVER—having ceased to do its duty. For the diseases of that organ one of the proprietors has made it his study, in a practice of more than twenty years, to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found, any person troubled with LIVER COMPLAINT, in any of its forms, has but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, PURIFYING THE BLOOD, giving tone and health to the whole machinery, removing the cause of the disease, effecting a radical cure.

BILIOUS ATTACKS are cured, AND WHAT IS BETTER, PREVENTED, by the occasional use of the LIVER INVIGORATOR.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring prevents NIGHTMARE.

Only one dose taken at night, loosens the bowels gently, and cures COSTIVENESS.

One dose taken after each meal will cure DYSPEPSIA.

☞ One dose of two teaspoonfuls will always relieve SICK HEADACHE.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves CHOLIC, while

One dose often repeated is a sure cure for CHOLERA MORBUS, and a preventive of CHOLERA.

☞ Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

☞ One bottle taken for JAUNDICE removes all sallowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.

One dose often repeated cures CHRONIC DIARRHEA in its worst forms, while SUMMER and BOWEL complaints yield almost to the first dose.

One or two doses cures attacks caused by WORMS in Children; there is no surer, safer, or speedier remedy in the world, as it never fails.

☞ A few bottles cures DROPSY, by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for FEVER AND AGUE, CHILL FEVER, and all FEVERS of a BILIOUS TYPE. It operates with certainty, and thousands are willing to testify to its wonderful virtues.

ALL WHO USE IT ARE GIVING THEIR UNANIMOUS TESTIMONY IN ITS FAVOR.
☞ MIX WATER IN THE MOUTH WITH THE INVIGORATOR, AND SWALLOW BOTH TOGETHER.

THE LIVER INVIGORATOR
IS A SCIENTIFIC MEDICAL DISCOVERY, and is daily working cures almost too great to believe. It cures as if by magic, *even the first dose giving benefit*, and seldom more than one bottle is required to cure any kind of LIVER Complaint, from the worst *Jaundice* or *Dyspepsia* to a common *Headache*, all of which are the result of a DISEASED LIVER.
PRICE ONE DOLLAR PER BOTTLE.

A Card James Dr. from M. Jarrett,

OF THE NEW YORK LUNG INFIRMARY.—My connection for the past eight years with the above Institution, as Chief Physician, and a twelve years' course of steady devotion to the cure of Pulmonary Consumption and its kindred diseases, together with my unrivalled opportunities and advantage of pathological research—aided not a little by a perfect system of *Medical Inhalation*—has enabled me to arrive at a decisive, direct, and successful course of treatment for the positive cure of all diseases of the *Throat, Lungs*, and *Air-Passages.* By Inhalation, the vapor and curative properties of medicines are directly addressed to the diseased organs and the integument. I do not advise the use of Medical Inhalation of any kind, to the exclusion of *general treatment;* and although I consider it a useful adjuvant in the proper management of those fearful and often fatal diseases, yet I deem it very necessary that each patient should have the benefit of both *general* and local treatment. The success of my treatment in the above diseases, and the high character of the Institution over which I have so long had the honor to preside, are too well known to need any eulogy or comment from me. At the solicitation of many private and professional friends, through whose philanthropic aid the above charity has been long and liberally supported, after due consideration, I have concluded to make such arrangements as will bring benefits of my experience and treatment within reach of all, and not to confine myself, as heretofore, to those only who entered the Infirmary, or who were able to visit me at my office. Hoping therefore that the arrangement will give entire satisfaction, both to my professional brethern and the public, I would respectfully announce in conclusion, that *I can now be consulted personally or by letter*, on all diseases as above, and that the medicines, the same as used in the Institution, prepared to suit each individual case. *Inhaling Vapors, Medical Inhalers, &c., &c.*, will be forwarded to any part of the United States or the Canadas. TERMS—My terms for treatment by letter are as follows, viz: $12 per month for each patient, which will include medicine sufficient for one month's use; also, Inhaling Vapor, and an Inhaling Apparatus. Payment as follows: $6 to be paid to Express Agent on receipt of the box of Medicine, and the balance $6 at the expiration of the month, if the patient be cured or is entirely satisfied with the treatment. Patients, by giving a full history of their case, and their symptoms in full, can be treated as well by letter as by personal examination. Patients availing themselves of Dr. Jarrett's treatment may rely upon immediate and permanent relief, as he seldom has to treat a case over thirty days. Letters for advice promptly answered. For further particulars address JAMES M. JARRETT, M. D.,
No. 620 Broadway, cor. Twelfth st., N. Y.
P. S.—Physicians and others visiting the city are respectfully invited to call at the Infirmary, where many interesting cases can be witnessed, and where our *improved apparatus* for the inhalation of medicated vapor can be seen and inspected. sep8h148d6mo

Private and Confidential Medical Advice.

AT the MILWAUKEE VENERIAN HOSPITAL, established for the cure of Syphilis, Seminal Weakness, and the infirmities of youth and maturity, by Dr BARNES.
Dr. BARNES takes pleasure in announcing to the citizens of Milwaukee and other places, that his office is at No. 12 Wisconsin street.
READ AND REFLECT.—The afflicted would do well to reflect before trusting their health, happiness and in many cases, their lives, in the hands of physicians ignorant of this class of maladies. It is certainly impossible for one man to understand all the ills the human family are subject to.
YEARS OF PRACTICE, exclusively devoted to the treatment and study of Syphilis, Gonorrhoea, Gleet Strictures, effect of solitary habits, ulcers upon the body, throat, nose or legs, pain the head or bones, and all Mercurial Affections, and all impurities of the blood whereby the constitution has become enfeebled, enables the Doctor to offer relief to all who may place themselves under his care.
Dr. B. makes no charges for short consultations.—Those requiring much advice should enclose a small fee sufficient to compensate for the time required to write the answer.

MARINE INTELLIGENCE.

SCHOONER ALDEBARAN ASHORE.—We learn that the sch. Aldebaran, Capt. Hall, owned in this city by Capt. Gardner, bound hence to Chicago, light, went ashore on Point au Pelee Island, on Monday night. She is badly on. A tug has been sent to her relief.—*Buffalo Courier, 9th.*

SUPPOSED WRECK.—The mate of the Young America, which passed to-day, reports that yesterday, while running between Towns Bay and Point aux Barques, a mast head was distinctly seen under water, within about a foot of the surface. The locality is west by north from Point aux Barques.

Our readers will remember that apparent fragments of a wreck have very recently been reported seen in Towns Bay. If a disaster has actually occurred, sufficient time has elapsed to have heard particulars, provided any of the crew were saved. Unless, therefore, the mate of the Young America was deceived—which is not at all probable—it is rendered almost certain that a vessel has been lost with all on board.—*Detroit Tribune, Nov. 9.*

MORE TO BE ADMIRED THAN THE
RICHEST DIADEM
EVER
Worn by Kings or Emperors.
WHAT? WHY A BEAUTIFUL HEAD OF HAIR.

Because it is the ornament *God Himself* provided for all our race. Reader, although the rose may bloom ever so brightly on the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and shriveled, *harsh* and *dry*, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated Pianist, Thalberg:

DR. WOOD:— New York, April 19th, 1858.

Dear Sir: Permit me to express to you the obligation I am under for the entire restoration of my hair to its original color. About the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your Hair Restorative, it soon recovered its former hue. I consider your Hair Restorative as a very wonderful invention—quite efficacious as well as agreeable.

I am, dear sir, yours truly,
S. THALBERG.

"Drych a'r Gwyliedydd."
WELSH NEWSPAPER OFFICE,
113 Nassau st., April 12, 1858.

PROF. O. J. WOOD—*Dear Sir:* Some month or six weeks ago I received a bottle of your Hair Restorative and gave it to my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color; but to her, as well as my surprise, after a few weeks' trial it has performed that wonderful effect by turning all the gray hair back to brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change in their hair.

CHARLES CARDEW.

New York, July 25, 1857.

PROF. O. J. WOOD: With confidence do I recommend your Hair Restorative, as being a most efficacious article I ever saw. Since using your Hair Restorative my hair and whiskers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It has also relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely.

J. G. KILBY.

PROF. WOOD—About two years ago my hair commenced falling off and turning gray; I was fast becoming bald, and had tried many Remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grew out, and turned back to its former color, black. At this time it is fully restored to its original color, health and appearance, and I cheerfully recommend its use to all. J. D. HOES.

Chicago, Ill., May 1, 1857.

The Restorative is put up in bottles of 3 sizes, viz: large, medium and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least 20 per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent more in proportion, and retails for $3.

RADWAY'S REGULATING PILLS.

DR. RADWAY & Co. have recently discovered a method for extracting from roots, herbs, plants and gums a nutritious extract of such wonderful nourishing power—which they have combined with Radway's Regulating Pills—that six of these pills will supply the blood with the same amount of nutrition as one ounce of ordinary bread; so that while the system is undergoing a thorough physicing, and regulating process, it daily becomes strengthened.

Persons afflicted with Liver Complaint, Dyspepsia, Heart Diseases, Fullness of Blood and all Females who are subject to Irregularities, Hysteria, &c., are particularly recommended to use these Pills. They are pleasant to take—elegantly coated with gum—free from taste and will not gripe, sicken or weaken the system, or leave the bowels costive. Mothers nursing should likewise take one or two of these Pills once or twice per week. They will not only keep your system healthy and regular, but will protect your infants against Cramps and Pains in the stomach, and insure not only a healthy child, but will invest every child, thus suckled, with a sweet disposition.

RADWAY'S REGULATING PILLS

Regulate each and every organ of the system, and correct all derangements of the Liver, Bowels, Stomach, Heart and Kidneys.

THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

EVERY KIND OF HUMOR,
FROM
THE WORST SCROFULA DOWN TO A COMMON PIMPLE.

He has tried it in over eleven hundred cases, and never failed except in two cases, both thunder humor. He has now in his possession over one hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of biles.

Two bottles are warranted to cure the worst canker in the stomach.

Three or five bottles are warranted to cure the worst kind of Erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two or three bottles are warranted to cure the worst kind of ringworm.

Two or three bottles are warranted to cure the most desperate case of rheumatism.

Three or four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

ROXBURY, Mass.

DEAR MADAM:—The reputation of the Medical Discovery, in curing all kinds of humors, is so well established, by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the most skillful physicians and the most careful Druggists in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative powers, in relieving all, and curing most of the diseases to which you are unfortunately so liable. That most excruciating disease to an affectionate mother,

NURSING SORE MOUTH,

is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and sweet slumbers; and the Medical Discovery becomes a fountain of blessings to your husband and household.

In the more advanced stages of
CANKER
it extends to the stomach, causing
DYSPEPSIA
which is nothing but canker on the stomach; then to the intestines and
KIDNEYS
creating a sinking, gone feeling, and an indifference even to the cares of your family.

Your stomach is
RAW AND INFLAMED,
your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains, as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best day is gone. For want of nourishment your system becomes loose and flabby, and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to
CURE;
Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip-joint when you retire, irregularity of the bowels, and also that most excruciating of diseases the
PILES.

How many thousands of poor women are suffering from this disease and pining away a miserable life, and their next door neighbor does not know the cause. I wish to impress on your mind that good old proverb, "an ounce of prevention is better than a pound of cure." In the

MEDICAL DISCOVERY

you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you an injury. Yours truly,

DONALD KENNEDY.
